To whom it may concern,

Girls Inc. has had a great impact on the girls here at Pro-Kids the First Tee of San Diego by supporting our girls mentoring group weekly the activities that they provide and run makes the girls feel like they have a voice and that they are important no matter where they came from in society.

Pro-kids support girl's Inc because they support what we believe in GIRLS and how important they are to this world; Girls Inc is always willing to support any event we have without any hesitation they are here with suggestions and positive influence for our program.

Girls Inc. brings courage compassion loyalty and dedication to our program our girls learn honestly and its ok to let someone in their world who can impact them in a positive way, pro-kids would not have such a successful girl mentoring group, without the helping hands of Girls Inc.
